## Skills

- **Independent:** Developed skills through internship at Real Salt Lake in order to identify and fix game-day problems under little to no supervision. Skills were also developed through my experience at Hatton Marine as coordinating pick up and drop off of boat parts were crucial to maximize the work flow. Finally, as a youth educator, these skills have been polished because I was responsible for planning and executing lesson plans under no supervision.
- **Communication:** Proficient communication skills from internship at Real Salt Lake through following supervisors' directions and notifying them with updates. Also collaboration at Rose Park Elementary with other leaders results in a thriving, goal oriented and teamwork-driven environment. Finally, clear communication in my snowboard career has provided new and satisfied sponsors.
- **Leadership:** Employed leadership skills as an instructor for youth in order to gain respect and trust while

maintaining a sufficient classroom flow. Additional professional leadership skills have been developed at Real Salt Lake through coordinating coworkers when supervisors were unavailable.

- **Professionalism:** Refined through interactions with parents of youth I instruct. Also, a professional manor is required at my internship with Real Salt Lake because of the interactions with fans.
- **Time-Management:** Employed skill as youth instructor because maintaining a consistent schedule for the kids is important to minimize problems. Additional time-management skill have been developed at Real Salt Lake as game-day schedule requires a timely manner.
- **Organizational:** Through youth instructor experience this included preparing and gathering class materials ahead of time. Developed through personal scheduling that allowed me to maintain three jobs and take a marketing class over the summer of 2016. Also, organizing social media statistics through a project at Real Salt Lake.
- **Problem Solving Skills:** Adjusted lesson plans on the fly, based on whatever classroom was available. Also, changed lesson plans based on the energy level of the youth. Additional skills have developed at Real Salt Lake in order to solve game-day issues.
- **Computer Proficiency:** Including expertise with Microsoft Office software and R-studio through rigorous college research and courses. Additionally, an understanding with Adobe creative software such as Premiere Elements, Dreamweaver and Photoshop. Familiarity with computer hardware upgrades through my personally built desktop
- **Additional Skills:** Marketing/Social Media skills through RSL internship and snowboard career. Trained to belay summer campers at the Y on the climbing wall. Also I have attained a Grade 9 and High School Soccer Referee License. Some conversational Spanish skills.
